

¿Qué es Zotero?

- Zotero es una herramienta gratis, un complemento de Firefox ayuda a recolectar, administrar y citar nuestros recursos de investigación.
- Nos permite:
 - ✓ Gestionar y organizar las referencias bibliográficas
 - ✓ Compartir referencias bibliográficas
 - ✓ Integrar de forma automática tus citas y referencias bibliográficas en Office Word y Openoffice.

¿Cómo instalar Zotero?

Tres fases:

- Registrarse desde la página principal
- Pulsar Download para instalar el complemento que se integra en Firefox. Una vez instalado nos aparecerá en el lado inferior –derecho el icono
- Instalar el plugin adecuado a nuestro procesador.

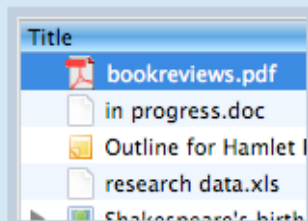

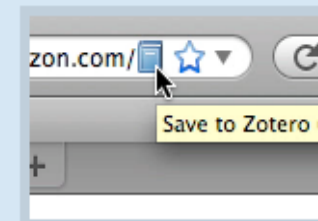

Zotero [zoh-TAIR-oh] is a free, easy-to-use tool to help you **collect, organize, cite, and share** your research sources. It lives right where you do your work—in the **web browser** itself.

[Download Now](#)[Collect](#)[Organize](#)[Cite](#)[Sync](#)[Collaborate](#)

Grab your research with a single click.

A personal research assistant.

Zotero is the only research tool that automatically senses content, allowing you to add it to your personal library with a single click. Whether you're searching for a preprint on arXiv.org, a journal article from JSTOR, a news story from the *New York Times*, or a book from your university library catalog, Zotero has you covered with support for thousands of sites.

Store anything.

Zotero collects all your research in a single, searchable interface. You can add PDFs, images, audio and video files, snapshots of web pages, and really anything else. Zotero automatically indexes the full-text content of your library, enabling you to find exactly what you're looking for with just a few keystrokes.

The image shows a Mozilla Firefox browser window with a Google search for "astursalud". The search results show approximately 19,400 results. The top result is "AsturSalud - Inicio" with the URL "www.astursalud.es/". Below it is "AsturSalud - Consultar estado actual de la Bolsa de Demandantes ...".

Overlaid on the bottom left of the browser window is the Zotero application interface. A blue box highlights the "Mi biblioteca" (My library) sidebar, which contains a list of folders and items. A context menu is open over the "Bibliotecas" (Libraries) folder, showing options such as "Nueva colección..." (New collection...), "Nueva búsqueda guardada..." (New saved search...), "Mostrar duplicados" (Show duplicates), "Mostrar ítems unificados" (Show unified items), and "Exportar biblioteca..." (Export library...). The main pane of the Zotero application shows a table with columns "Título" (Title) and "Creador" (Creator), containing one item: "Guía rápida" by "Center for History ...". The status bar at the bottom right of the Zotero window indicates "1 ítem en esta vista" (1 item in this view).
